

## **Supplementary Questions**

Please keep each answer to no more than 400 words.

1. This role will involve strategic development and business planning. Demonstrate your capacity to fulfil this role using previous experience in these areas.
2. As CEO of NIRDP you will be required to work with many different stakeholders. Using previous experience, demonstrate your capacity to engage with, and influence decision makers from different backgrounds, from government to third sector to the public.
3. Tell us about a challenging leadership experience you have handled.
4. Describe your experience in managing finances, including securing funding to ensure sustainability?

## **Note to applicants**

Please ensure the essential and desirable criteria are reflected in your CV and the supplementary questions.

The answers provided should be concise and relevant to the criteria outlined.

Please ensure you complete all sections, answer all supplementary questions and attach your CV – no more than 3 pages

Please do not exceed the word count – answers that exceed the word count will not be considered.

Please provide three referees in your CV, one of whom should be your current employer. We will only contact your referees if we are able to offer you the role.
